ATTACHMENT TO VALLEY WATER DISTRICT

PIERCE COUNTY CERTIFICATE OF WATER AVAILABILITY

NOTE: PER VALLEY WATER DISTRICT RESOLUTION 96-12 ADOPTED ON APRIL 17, 1996, ALL CERTIFICATES OF WATER AVAILABILITY ARE TO BE ON THE PIERCE COUNTY STANDARD FORM ACCOMPANIED BY A DISTRICT STANDARD FORM ATTACHMENT WHICH STATES THE DISTRICT'S TERMS AND CONDITIONS FOR ISSUANCE OF A CERTIFICATE OF WATER AVAILABILITY.

The following terms and conditions apply to the attached Pierce County Certificate of Water Availability.

1. This certificate of Water Availability is valid only for the real property referenced herein for the sole purpose of submission to the Pierce County Building and Land Department and/or the Pierce County Department of Public Health. This Certificate is between the District and the applicant only, and shall not be assigned or transferred by any party. Further, no third person or party shall have any rights hereunder whether by agency or as a third party, beneficiary or otherwise.
2. The District makes no representations, express or implied, that the applicant will be able to obtain the necessary permits, approvals, and authorizations from Pierce County or any other governmental agency before applicant can utilize the utility service which is the subject of this Certificate.
3. As of the date of the issuance of this Certificate, the District has water availability to provide such utility service to the property, which is the subject of this Certificate, and the utility systems exist or may be extended by the applicant to provide service to such property. However, the issuance of this Certificate creates no contractual relationship between the District and the applicant, and the issuance of this Certificate may not be relied upon and does not constitute the District's guarantee that water will be available at the time the applicant may apply to the District for such service.
4. Application for and the possible provision of District utility service to the property which is the subject of this Certificate shall be subject to and conditioned upon the availability of water service to the property at the time of such application, as well as all federal, state, and District laws, ordinances, policies, and regulations in effect at the time of such application for utility service, including conservation, water restrictions, and other policies and regulations then in effect.
