Comments: dP has 9 trucks exporting. They were a little late getting the on site sweeper going. I have asked him to get a street sweeper sooner due to the dust on the roadway.

2pm still no street sweeper! 3:30pm still no street sweeper! Contractor ended thier day at 330pm with trucks rolling in for the night. Roadway is still dirty!

Note: A couple of PSE gas lines were located on site and need to be verified by PSE.

Corrections:

Sincerely,
