Re: **Fortress- Puyallup**
Permit Number PRCNC20230967

Dear Plan Checker:

In response to your Notice of Incomplete Application dated June 30, 2023, we have addressed the items below, with our responses following your comments.

1. *Project Specifications*

Response: Project specifications have been provided. See project upload folder.

2. *Truss Layout*

Response: This project does not have wood trusses. Open Web Metal Joist and Girders are a deferred submittal to be prepared and submitted at a future date. Per conversation with Ray Cockerham and Jeff Wilson, this deferred submittal will be permitted.

3. *Truss Plan for TJIs or BCIs*

Response: See response to Item #2 above.

4. *Truss Specification Packet w/Engineers Stamp*

Response: See response to Item #2 above.

5. *Hazardous Material Inventory Statement*

Response: Hazardous Material Inventory Statement has been provided. See project upload folder.

6. *Traffic Scoping Worksheet*

Response: Traffic Scoping Worksheet has been provided. See project upload folder.

7. *Plumbing Fixture Worksheet*

Response: Plumbing Fixture Worksheet has been provided. See project upload folder.

8. *Narrative from Project Architect*

Response: Project Narrative has been provided. See project upload folder.

9. *Other/Miscellaneous- Geotech Report needs restrictions removed.*

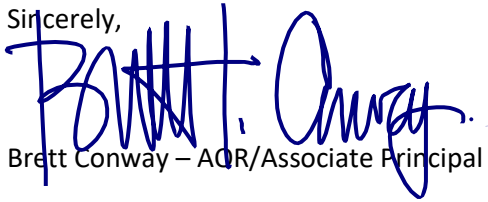

Response: Geotechnical Report restrictions have been removed. See project upload folder.

Please contact me if you have any questions.
