Dear Applicant,

Permits issued shall become invalid unless the work authorized by such permit is commenced within 180 days of the permit issuance date, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after the work is commenced.

Please notify the Permit Center at [permitcenter@puyallupwa.gov](mailto:permitcenter@puyallupwa.gov) of your plans to continue the work, or if you will discontinue the work approved on your permit. In your message to the Permit Center, include the permit number above, the permit extension justification, the date that the work will recommence, and the work completion date. If all associated construction and restoration has been completed, request a final inspection through the CityView portal.

If no contact is made with the **Permit Center** and the expiration date is reached, your permit will be cancelled, and you will need to reapply to continue work on your project.

Thank you,

City of Puyallup Permit Center
