RE: Application Number PRROW20231468

Dear Amy Silbaugh,

A permit application has been received by this office on October 17, 2023. The following required items are outstanding:

CG2012 INSURANCE:

The insurance needs some corrections. In the DESCRIPTIONS OF OPERATIONS box, you will need to have the address of the project, as well as City of Puyallup as the additional insured. The certificate holder must be C.oP w our address. There was no CG 20 12 or equiv attached.

PERFORMANCE BOND:

<https://www.cityofpuyallup.org/DocumentCenter/View/16623/ROW-Occupation-Bond-51122-appvd-by-Legal>

The bond is not the correct bond. Please use the ROW Occupation bond (see additional email) since they are not breaking up, excavating, etc in the ROW

The above information must be received by our office to deem this application complete. If the required information is not received within 30 days, your application will be canceled.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup
