Permit Revision Correction Letter

Permit Application # PRCP20230996

October 19, 2023

The City has completed the review of the above-mentioned permit revision submittal. All of your review comments, conditions, and redlined plans can be found on the [City's permit portal](#). Redlined plans can be found on the City's Permit Portal in the "Reviews" section under "Documents Returned for Corrections". Below please find the permit submittal review comments from your review team and re-submittal instructions. Should you have any questions regarding the review comments, please contact the plan reviewer associated with the comment listed below.

Re-submittal Instructions

To resubmit, you must address all comments and complete and submit the [resubmittal form](#) and a letter of transmittal. Letter of transmittal must be submitted to the 'resubmittal form' item listed in the submittal items list. Avoid using "upload additional docs" unless there is NO submittal item available for your document. Please Note: If you do not resubmit as instructed your re-submittal will be rejected. If you have any questions about how to resubmit, please contact the permit center.

- 1 You will send the revised revisions to the permitcenter@puyallupwa.gov email and the Permit Center will upload your documents for you. You will receive an email once this has been completed to pay the resubmittal fee.

Corrections

Corrections to be addressed on the next set of resubmitted plans:

Building Review	Ray Cockerham	(253)841-5585	RayC@PuyallupWA.gov
- Unable to confirm if the site plan is correct. Emails sent to applicant.			

Conditions

The items listed in the table below are conditions of the permit that do not need to be addressed on the next resubmittal of plans but will need to be fulfilled at some point in the permit review process. The “Condition Category” indicates the approximate phase of the permit process by which the condition must be fulfilled in order for the City to continue processing this permit. “Condition Status” if “Open” means that the condition has not been fulfilled, if “Resolved” means the condition has been fulfilled successfully. For some conditions that require submittal of a document to the City, those documents can be submitted via the Conditions Section of the [City’s permit portal](#).

Condition Category	Condition	Department	Condition Status
--------------------	-----------	------------	------------------

If you need assistance with resubmitting your corrections, please contact the Permit Center.

Sincerely,
