## INSPECTION REPORT

**Date of Inspection:** Oct 23, 2023                      **Inspection Result:**     **PARTIAL PASS**

**Permit Number:** PRFUP20231223

**Property Address:** 220 15TH AVE SE, Unit: B, PUYALLUP, WA 98372;

**Contractor:** NORTH SKY - CENTURY LINK 11818 SE MILL PLAIN BLVD VANCOUVER,  
WA 98684

**To construct:** Lumen to access MH-342 and HH-222. No soft or hard surface  
disturbance.

On this day we have inspected your construction for **Job Start Inspection** and we find the following result of the inspection. If there are any questions, please contact the inspector below.

**Comments:** Integrity set up traffic control with a lane shift to the center for eastbound traffic on 15th west of the roundabout and called the Comm Center. North Sky accessed HH-222 to place fiber in existing conduit but determined they did not have connectivity, with the conduit only going up the pole. This job may need a redesign. Lumen is to notify the City of a future job start, revision or other next step.

**Corrections:**

Sincerely,

Cheryl Trimble

Engineer Tech II
