

POWER GENERAL NOTES

- . All materials to be installed in accordance with Puget Sound Energy's (PSE) standards. Any deviation from this work sketch must be AUTHORIZED by PSE's Project Manager and NOTED on the Foreman's Copy.
- 2. All switching arrangements and/or outage arrangements are to be made with the Project Manager at least three (3) working days in advance.
- Contact the Utilities Underground Location Center (1-800-424-5555) at least 48 commencing work to get the underground facilities located.
- All work is to be done in accordance with local municipal and county permit requise.
 Inclement weather conditions may cause delays in construction times and dates
