Notice of Incomplete Permit Submittal

RE: Application Number PRDE20231749

Dear James Kerby,

A permit application has been received by this office on December 18, 2023. The following required items are outstanding:

- Site Plan : Site plan must be flattened, no layers, non-restricted.
- Puget Sound Air Notification: Please provide; see below
- ASBESTOS PS CLEAN AIR NOTIFICATION RECEIPT: It shall be presumed that all buildings to be demolished may contain “friable asbestos.” Therefore, prior to the issuance of a demolition permit, we will require a copy of the online notification by the Puget Sound Air Pollution Control Agency (www.pscleanair.org/asbestos) that all requirements pursuant to Washington Law (WAC 173-400-075) have been met. <https://pscleanair.gov/185/Asbestos>

The above information must be received by our office to deem this application complete. If the required information is not received within 30 days, your application will be canceled.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
