- 7. REPLACE STANDING PED WITH DOGHOUSE AT 2106 TO 2216 S MERIDIAN

A 10" diameter core drill is allowed for potholing. For pothole windows larger than 10" in diameter or trenching completed in existing roadway, the contractor shall restore the pavement by installing the trench patch and then grinding/overlaying. All roadway restoration and street patches shall comply with City Standard Detail 01.01.20.
