Notice of Incomplete Permit Submittal

RE: Application Number PRCNC20231424

Dear Isaac Anzlovar,

A permit application has been received by this office on October 05, 2023. The following required items are outstanding:

- Construction Plan Set - Due to the City breaking out your plan set I need to make sure you submit correctly with your resubmittals. For this permit I need a plan set called Convenience Store Only and it has 84 pages. The new revised set must match up to this set page for page as I will be versioning this to the first submittal. Likewise for the Trash Enclosure, this plan set has 18 pages and must match up to the plan set we broke out. You can see these in the portal as: CONSTRUCTION PLAN SET - CONVENIENC STROE ONLY and CONSTRUCTION PLAN SET - TRASH ENCLOSURE ONLY.

The above information must be received by our office to deem this application complete. If the required information is not received within 30 days, your application will be canceled.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
