PERMISSION TO ACCEPT FINAL PERMITS EARLY

Date: 3/4/2024
Applicant: Kevin Anderson
Project Name: Wesley Bradley Park Ph2 - Care Center
Project Address: 707 39TH AVE SE, BLDG B, PUYALLUP, WA 98374
Case Number: PLPSP20220108

The Development Review Team has conducted an initial review of the above-cited development project. At this point, team members have reached a consensus that the building footprint/design and site plan improvements proposed for this plan are unlikely to be affected by further project review/conditions.

Permission Signatures:
PLANNING [Signature] ** Date: March 5, 2024
ENGINEERING [Signature] *** Date: 03/08/2024
BUILDING [Signature] Date: March 6, 2024
FIRE [Signature] Date:
OTHER [Signature] Date:

Ray Cockerham signed for both Fire and Building - CB

***Engineering signoff is with the understanding that there are concerns with the existing stormwater facility that must be resolved during the civil review process and may require a reduction in building size and/or other site improvements.

Given this finding, the following permit application(s) may be submitted for this project:

- Clear, fill, and grade engineering permit application
Civil engineering permit application
Building permit application
Planning review of geotechnical response report/letter is not complete as of the date of signature. Conditions or revisions may be required as a result of further review.

If those final permit applications are submitted prior to completion of the land use process, the applicant must sign the standard disclaimer for early submittals (Attachment B).
