Permit Review Correction Letter

Permit Application #E-21-0071

March 27, 2024

The City has completed the review of the above-mentioned permit submittal. All of your review comments, conditions, and redlined plans can be found on the [City's permit portal](#). Redlined plans can be found on the City's Permit Portal in the "Reviews" section under "Documents Returned for Corrections". Below please find the permit submittal review comments from your review team and re-submittal instructions. Should you have any questions regarding the review comments, please contact the plan reviewer associated with the comment listed below.

Re-submittal Instructions

To resubmit, you must address all comments and upload a **Correction Response Letter that explains what changes are being made in your resubmitted documents associated with the revision**. Avoid using "upload additional docs" unless there is NO submittal item available for your document. Please Note: If you do not resubmit as instructed your re-submittal will be rejected. If you have any questions about how to resubmit, please contact the permit center.

- 1 Log in to your permits portal and navigate to the status page for this permit under the "My Items" tab by selecting the "Upload Submittals" button under the permit number.
- 2 For each submittal item listed re-submit a new version of the submittal item by clicking the "New Version" button next to the file name of the original file submitted. DO NOT click the 'browse' button unless the document you are submitting for that submittal item is not a new version of the originally submitted document. Click 'Upload Documents' at bottom of the page.
- 3 The outstanding Civil Review Additional Fee **MUST** be paid at the time you submit your revision. Your resubmittal/revision will NOT be processed until the fee has been paid.

Corrections

Corrections to be addressed on the next set of resubmitted plans:

Engineering Civil Review	Jamie Carter	(253)435-3616	JCarter@puyallupwa.gov
- This project has been taken out of approved status to pending at the applicants request in order to correct for an oversight that affects parking, landscape and hard surface drawings and counts. The permit is now reopened for a resubmittal. Resubmit all affected documents.			

Conditions

The items listed in the table below are conditions of the permit that do not need to be addressed on the next resubmittal of plans but will need to be fulfilled at some point in the permit review process. The "Condition Category" indicates the approximate phase of the permit process by which the condition must be fulfilled in order for the City to continue processing this permit. "Condition Status" if "Open" means that the condition has not been fulfilled, if "Resolved" means the condition has been fulfilled successfully. For some conditions that require submittal of a document to the City, those documents can be submitted via the Conditions Section of the [City's permit portal](#).

Condition Category	Condition	Department	Condition Status
Prior to Issuance	Permit scope subject to SEPA Environmental Review. Permit cannot be issued until associated SEPA Determination appeal period has expired without appeal. SEPA #PLSSP20220062	Planning Division	Resolved
Prior to Issuance	Certificate or Insurance/CG2012 must be received prior to issuance	Engineering Division	Open
Prior to Issuance	A Performance Bond must be received by the City of Puyallup prior to permit issuance. The Performance Bond shall be 150% of the estimated cost of work in the ROW per the approved cost estimate received prior to plan approval (attached in CityView Portal under Documents & Images section). See https://www.cityofpuyallup.org/DocumentCenter/View/16622/Performance-Bond-51122-appvd-by-Legal for more information.	Engineering Division	Open
Submit With Civil Permit Application	Certification by a soils testing laboratory that the organic content and CEC criteria of the native soils meets standards shall be submitted.	Engineering Division	Resolved

Condition Category	Condition	Department	Condition Status
Submit With Civil Permit Application	For any utilities underneath the porous pavement gallery trench dams shall be installed.	Engineering Division	Resolved
Prior to Issuance	A Certified Erosion and Sediment Control Lead must be designated prior to permit issuance and start of work.	Engineering Division	Open
Prior to Issuance	Email a signed Inadvertent Discovery Plan to RBUCK@PUYALLUPWA.GOV.	Engineering Division	Open
Prior to Issuance	This form is to be received prior to permit issuance. Signing this form is acknowledgement that there may be billed overtime inspection fees per the current fee schedule and that whenever the City Water Division staff is required to perform a mainline shutdown the fees shall be billed at \$134.00 per event plus \$10.00 per tag. Instances when a shutdown is performed outside regular working hour's additional overtime fees will be billed at the current overtime billing rate (3 hour minimum call out time).	Engineering Division	Open
Prior to Issuance	Must provide Contractor doing the work to be named on permit. Contractor must be registered with Washington State Labor and Industries AND have a valid City of Puyallup business license endorsement with Washington State Department of Revenue.	Development & Permitting Services	Open
Prior to Issuance	STORMWATER PERFORMANCE BOND REQ IN ADD TO ROW PERFORMANCE BOND [Robyn Buck @ 01/22/2024 1:47 PM]	Development & Permitting Services	Open

If you need assistance with resubmitting your corrections, please contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
