### City of Puyallup Minimum Requirements for Night Traffic Control TE-007

Location: \_\_\_\_\_

Contractor: \_\_\_\_\_

Date: \_\_\_\_\_

Time: \_\_\_\_\_

City of Puyallup Development & Permitting Services ISSUED PERMIT	
Building	Planning
Engineering	Public Works
Fire	Traffic

- Road must be opened by 5:00 AM
- Contractor shall call Comm Center to advise at 253-287-4456 prior to work start
- Work site shall have adequate lighting. Tapers shall be done with reflective drums with flashing lights at the start and end of each line of channeling drums and steady burning lights to outline open roadway
- Personnel in work zone are required to wear clothing with retroreflective material that meets the criteria established by American National Standard (ANSI) 107-1999, MUTCD Section 6
- Flashing Arrows are required on roads such as River Road, Valley Ave and E. Main.
- Approved Traffic Control Plans shall be followed as a minimum at all times
- If field conditions require additional lights, cones, or signage, the Contractor shall improve the Traffic Control Plan as needed
- **If approved Traffic Control Plans necessitate the use of police officer assistance, Puyallup Police shall be utilized.** Contact Meghan Genge at 253-841-5436 or email at: [mgenge@ci.puyallup.wa.us](mailto:mgenge@ci.puyallup.wa.us) to coordinate. **Twenty-four hours advanced notice is required for coordination/scheduling purposes.**
