Notice of Incomplete Permit RESUBMITTAL

RE: Application Number PRCTI20240313

Dear Karsea Langlois,

A permit RESUBMITTAL has been received by this office. The following required items are outstanding:

- Correction Response Letter – Please upload a Correction Response Letter that details how the corrections have been made in the resubmitted documents. What was uploaded was the City's review correction letter that was sent to you after the first review.
- Construction Plan Set – Please upload a Construction Plan set that has addressed the corrections needed as indicated in your review correction letter that was sent to you after your first review. Plans should be flattened AND not include any City mark ups or stamps. What was uploaded was the redlined plans with markups from the first review.

The above information must be received by our office to deem this resubmittal complete.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
