RE: CYCLE 1 PERMIT CORRECTION

Dear Janelle,

In response to permit comment #1 - Please see the attached PDF of receipt of permit documents from the Department of Health regarding the humidifier project at the Good Samaritan Hospital. Work on the project will not begin until the Department of Health approves the project.

Subject: Submission Documents Received - Good Sam Humidifier Replacement – CRS# 61526249

CAUTION: External Sender.

Jacob,

**If possible, for future submittals please include the CRS# in the naming convention of the .pdf file to help us ensure our review set-up accuracy. Thanks!

The submittal documents uploaded to box.com are now set up for plan review. Any questions related to the content will come from the assigned Plan Reviewer. Check on your CRS project reviews anytime at our [Project Status Lookup](#) page.

Sincerely,

Jason Suko
