Standard Conditions:

1. Permit issued for inspection documentation purpose and/or permits issued for limited scope of work shall be considered null and void if work requiring permits have been started, completed or not adequately represented in the permit construction plans issued by the City of Puyallup. Submittal of a new permit may be required as determined by the City.

Permit is valid 180 days from date of issuance. Permit validity is subject to all adhering to all applicable codes, ordinances and standards, and conditions of this permit.

I certify that I am the owner of this property or the owner's authorized agent, including an appropriately licensed contractor. I have read and examined this application and furnished true and correct information. I will comply with all provisions of law and ordinances governing this type of construction work, whether specific herein or not. By submitting this application, I give the jurisdiction permission

Applicant:
PAUL KABUGI

to enter the property to perform inspections. The granting of this permit does not presume or give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I understand that failure to comply with the above may result in revocation of the permit.
