The applicant shall cut and cap the water service on the customer's side of the water meter setter, under the supervision of a City Inspector, prior to any demolition. The applicant shall request an inspection through the CityView portal. The City Water Division shall perform the water service removal from the meter to the main. Contact Jeff Daschofsky at 253-841-5512 to schedule the water service removal.

The applicant is responsible to demolish the existing septic system per Tacoma Pierce County Health Department standards. A septic decommissioning certificate is required to be filed with Pierce County and a copy submitted to the City of Puyallup.

Refer to the City standard details 02.03.02 & 05.02.01 for typical erosion and sedimentation control methods.

Prior to starting site work, request an erosion and sediment inspection through the CityView portal.
