

Plan Change Request

Development Services
333 S. Meridian
Puyallup, WA 98371
Phone: 253-864-4165
www.cityofpuyallup.org

A plan change request is necessary for civil projects that propose substantial changes to the approved civil plans and requires additional review by City of Puyallup review staff. This application should be filled out completely and sent directly to the City Review Engineer assigned to the civil permit application via email.

Project Information

Site Address/ Parcel #: 711 W Main, Puyallup, WA/ 5870000191 Permit #: PRCCP20241123

Owner: Larry Vandenberg (Puyallup School Dist.) Email: VandeLJ@puyallupsd.org

Design Engineer: Andy Rasmussen (Fora) Email: andy@fora.land

Contractor: Jon Fowler (Streamline Construction) Email: jsf@streamlinegeneral.com

Originator of the Request: Owner Design Engineer Contractor City of Puyallup

- Does this request require a deviation from city standards? Yes No

- If yes, submit an [Alternative Method's Request](#) via the [CityView Portal](#) instead of this form

➤ Indicate the development infrastructure being affected

Road Storm Water Sanitary Grading Erosion Control

➤ Specify the approved civil plans affected: Landscape Plan - L100

➤ Describe the change(s) being requested:

Plan change approve requested to correct the quantity of ground covers shown. The quantity of Ground Cover Plants (Kinnikinnick and Creeping Mahonia) shown on the approved Landscape plan - L100 was miscalculated and did not account for the correct spacing or shrub plantings. The quantity has been revised down to the correct quantity.

For any plan change approval clarifications please reach out directly to the Landscape Architect Andy Rasmussen, email: andy@fora.land or phone: 206-322-1732.

➤ All signatures are required to process this request unless initiated by the City of Puyallup. Final approval/denial will be made by the City Review Engineer. All changes must be fully approved/denied prior to any work on the requested changes. Any work completed prior to approval is at the risk of the developer/contractor and may not be approved by the City.
