Description of Work FIRE WATCH		
Permit Types	Fire Watch	
Expiration Date: September 06, 2025		
Total ESU's		
REQUESTING REQUIRED INSPECTIONS A list of required inspections can be found on the permitting portal. Log in to your portal account, click on my items, and expand My Building Permit application, My Engineering Permit application, or My Fire Permit application depending on your permit type. Then locate your permit number and click on "request inspection". This will pull up a list of inspection types associated with your permit. Click on the desired inspection type and then click Next Step to begin the inspection request process.		

Building Components:

Quantity	Units	Description
	QTY	Fire Watch
		Total Value of Work: \$0.00

Standard Conditions:

1. This Fire watch permit does not allow any permit to move forward without an inspection.
2. Fire watch is required 24hrs a day, 7 days a week until the Fire Code Official agrees all systems are in back in compliance.
3. Failure to comply with regulations will result in a Red Tag for all permits associated onsite.
4. Read Fire Watch Log book for any other questions.

Permit is valid 180 days from date of issuance. Permit validity is subject to all adhering to all applicable codes, ordinances and standards, and conditions of this permit.

Conditions

The items listed in the table below are outstanding conditions that need to be resolved prior to occupancy and/or final inspection.

Condition Category	Condition	Department	Condition Status
--------------------	-----------	------------	------------------

I certify that I am the owner of this property or the owner's authorized agent, including an appropriately licensed contractor. I have read and examined this application and furnished true and correct information. I will comply with all provisions of law and ordinances governing this type of construction work, whether specific herein or not. By submitting this application, I give the jurisdiction permission to enter the property to perform inspections. The granting of this permit does not presume or give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I understand that failure to comply with the above may result in revocation of the permit.
