

6618 292nd St S
Roy, WA 98580

April 23, 2025

This is a comment response letter regarding comments made about permit PRSG20250425. I have submitted Engineering for the signs that are on pages 4-6. They should have all the information requested in the comments made. For the signs on page 5 we are using 3" long anchor bolts.

Thank you!
