RE: Request for Minor Modification to Existing Wireless Facility - Section 6409/47 CFR § 1.6100 (“6409”)

Site Address: 3310 S Meridian, Puyallup, WA 98373

AT&T Project No.: WA6413 South Hill Mall/Orbit AT&T

Dear City of Puyallup:

On behalf of New Cingular Wireless PCS, LLC (“AT&T”) we are pleased to submit this request to collocate on the existing Inland Tower wireless communication site at the location referenced above, as an Eligible Facilities Request for a minor modification under Section 6409 and Federal Communications Commission (“FCC”) rules.

Scope of Work

AT&T proposes the following minor modifications to this site: up to 12 new antennas, 18 new remote radio heads, 3 new surge suppressors and associated equipment on the existing tower; and one equipment cabinet and one emergency backup generator on an existing concrete pad. (Please note: all work will be performed wholly within the existing premises and utility easements; this site is free of any concealment elements; and the project otherwise complies with the site’s prior conditions of approval.)

<u>Component</u>	<u>Federal Section 6409 Limits</u>	<u>AT&T’s Proposed Modification</u>
Increase height of tower	10% or 20 feet as measured from the top of the highest existing antennas to the bottom of the proposed new antennas, whichever is greater	No increase in height
Antennas extending horizontally from edge of tower	20 feet or less	Antennas extend less than 20 feet horizontally from edge of tower
Additional equipment cabinets	4 or fewer (does not include separately mounted radios and other pieces of equipment)	No new cabinets

FCC Shot Clock for Section 6409 Minor Modifications

AT&T requests approval of the site analysis, as well as any other authorizations necessary, for its proposed minor modification under Section 6409.

The FCC requires that all authorizations related to 6409 applications be completed within 60 days after filing.

Our goal is to work with you to obtain approval of this minor modification earlier than the deadline. We will respond promptly to any requests for information you may have for our application. Please let us know how we can work with you to expedite the approval process. We look forward to working with you on this important project, which will significantly improve wireless telecommunication services in your community without requiring an additional site. Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Nancy Sears
