ISSUED PERMIT

Building	Planning
Engineering	Public Works
Fire	Traffic

EXISTING

RE-FACE EXISTING PYLON SIGN

The approved construction plans, documents, and all engineering must be posted on the job at all inspections in a visible and readily accessible location.

**Full sized legible color plans** are required to be provided by the permittee on site for inspection.

Approval of submitted plans is not an approval of omissions or oversights by this office or non compliance with any applicable regulations of local government. The contractor is responsible for making sure that the building complies with all applicable codes and regulations of the local government.

PROPOSED FOR RE-FACE ONLY
