RE: Civil Conformance Letter
Washington State Fair Gold Gate – Permit # PRCCP20231620

As civil engineer of record for the Washington State Fair Gold Gate Redevelopment, JMJ Team has performed periodic site observations of the work. To the best of our knowledge, the construction has been completed in conformance with the civil permit documents and meets City of Puyallup development standards.

This includes the installation of permanent stormwater controls in compliance with the stormwater site plan.

Please feel free to contact me at (206) 596-2020 if you have any questions.

Sincerely,
JMJ TEAM
