Any public curb, gutter, or sidewalk broken now or during the course of construction shall be removed and replaced per City Standards.

This site plan is only for reference on the proposed location of the crane staging and right-of-way occupation. This site plan does not authorize any work onsite.

The City of Puyallup does not authorize or permit work on private property or outside City limits.

PRROW20251105

Not issued for construction. For pre-planning only.

Crane will be set up on 13th ave from 7am -3pm

Crane shall only operate in the public right-of-way within the approved road work hours listed on the traffic control plan.
