Project: Ferrucci Junior High School Addition – Storm Drain Replacement
AHBL No. 2250252.10
Subject: Certification Letter, Permit Nos. B-20-0993 and E-20-0612

Landscape Architects

Community Planners

Dear Mr. Carter:

Land Surveyors

AHBL staff has performed site inspections and reviewed testing reports related to the replacement of storm conveyance facilities installed for this project.

Neighbors

Pursuant to these observations, it appears that construction of replacement stormwater conveyance pipes was completed in substantial conformance with the approved engineering design for stormwater management.

If you have any questions, please call me at (253) 383-2422.

Sincerely,

A handwritten signature in black ink that reads 'William J. Fierst'.
