Development Submittal Notice

Permit Application Number PRCNC20251558

Dear Mariya Vierela,

Thank you for submitting your permit application documents to the City of Puyallup. The Permit Center reviewed your submission on December 01, 2025 and determined that it is insufficient.

Missing or Insufficient Submittal Documents

Please submit the following items through the [permitting portal](#).

- Project Specifications

Completeness Check Comments

As a courtesy to our customers, the plan reviewers have conducted a completeness check to verify that the contents of the permit submission are adequate to complete a thorough first review. Even though all the minimum submittal documents were received, the plan reviewers have deemed your submittal as incomplete and compiled the completeness check comments below based on the scope and details of your project. Please address any comments below by updating your permit submittals and resubmitting them through the [permitting portal](#).

- Additional Submittal Item Required: Plumbing Fixture Worksheet. Complete, sign, and submit the CoP Plumbing Fixture Worksheet to include the new catch basin. The catch basin is equivalent to one floor drain. [Yianni Charitou @ 12/10/2025 10:15 AM]

The submittal shall only be considered complete if the information requested above is received by the City of Puyallup within 90 days of the date of this letter and deemed satisfactory by the Permit Center. Otherwise, your permit application will be canceled, and you will need to apply for a new permit. Once your submission is accepted, deemed complete, and any outstanding fees are paid, your submittal will proceed to plan review.

For questions or assistance, please contact the Permit Center.
