Project scope involves the demolition of a portion of the existing office space in order to convert to new warehouse space. Theexisting secondary ceiling system and suspended A.C.P. ceiling system shall be maintained over the new office area. New walls Project Description: with doors, fixtures, and finishes shall be constructed in the new office area.

If the project disturbs one acre or more, the applicant must apply for a NPDES Construction stormwater general permit from the Department of SCOPE OF WORK CHANGED TO DEMO OF EXISTING OFC ONLY. NO NEW OFFICE AREA PART Ecology. For additional information visit DOE website www.ecy.wa.gov/programs/wq/stormwater/construction OF THIS TFO
