The applicant is responsible to demolish the existing private well per Pierce County Health Department Requirements. A decommissioning certificate is required to be filed with Pierce County and a copy shall be provided to the City of Puyallup. If the well is to remain for irrigation purposes a Reduced Pressure Backflow Assembly is required. See the attached City of Puyallup Standard Detail 03.04.02

The applicant is responsible to demolish the existing septic system per Pierce County Health Department requirements. A decommissioning certificate is required to be filed with Pierce County and a copy shall be provided to the City of Puyallup.

Refer to the City standard details 02.03.02 & 05.02.01 for typical erosion and sedimentation control methods.

Prior to starting site work, request an erosion and sediment inspection through the CityView portal.
