Good morning Ammone,

The plumbing fixture worksheet submitted is blank. In order for the engineering department to complete their review it must be filled out and signed. Once it is uploaded into the permit I can move forward with the review.

Thanks,

Good morning Linda, Janelle, and Nabila,

We just wanted to follow up.

Can you please review and approve our revision for permit# B-21-0820-1 sooner rather than later? We are hoping to get our rough-in inspection done soon. Anything that you can do to expedite the review process would be greatly appreciated. Please let us know if you need any additional information.

Thank you so much for your time and support.

Have a wonderful day! 😊

Kind regards,
