2021 STORM SDC FEES UPDATED

On this day we have inspected your construction for **Engineering Daily Inspection** and we find the following result of the inspection. If there are any questions, please contact the inspector below.

Comments: the 3" water service from the RPBA to the future connection is full of silt and dirty water. this must be cleaned and a camera ran through to make sure no contaminants remain. this must be done before testing and purities.

Corrections:

2 clean 3" water line and camera
