Dear City of Puyallup,

In response to the “Notice of Incomplete Application” on May 3, 2022, we have enclosed the following response:

An updated application form has been submitted with the note “N/A” next to “Energy worksheets”. Please note, an Energy Code Worksheet is not relevant to the scope of work because this is a pre-manufactured building (portable).

An Abbreviated Stormwater Site Plan Report has been provided.

We look forward to working with you on behalf of the Puyallup School District.

Sincerely,

A handwritten signature in black ink that reads 'Meghan Howey'.
