Standard Conditions:

2. APPLICANT/CONTRACTOR REQUIREMENTS:

1. PERMIT AND APPROVED TRAFFIC CONTROL PLAN ARE REQUIRED TO BE AVAILABLE AT JOB SITE. NOT HAVING A PERMIT ONSITE SHALL BE SUBJECT TO TRIPLE PERMIT FEE.
2. THE CITY SHALL BE NOTIFIED 24-48 HOURS PRIOR TO JOB START
3. THE CITY SHALL BE NOTIFIED WHEN ALL WORK AND RESTORATION IS COMPLETE AND READY FOR FINAL INSPECTION. PRIOR TO RESTORATION, COORDINATE WITH AN INSPECTOR.

*** SITE SPECIFIC CONDITIONS ***

CLOSURE ALLOWED:

Monday - Friday
 9AM - 3PM

Call communications center at 253-287-4456 on day of closure. Request a job start inspection through the CityView portal.

The City-issued permit packet shall be posted at the job site and available to inspectors at all times.

All proposed franchise utilities shall be located within a recorded utility easement or in the public right-of-way as determined by the City of Puyallup. The City of Puyallup does not authorize or permit utility work on private property.

Public ROW ends approximately 20 feet behind edge of pavement on 27TH AVE SE and 10 feet behind face of curb on 5TH ST SE.

A 10" diameter core drill is allowed for potholing. For pothole windows larger than 10" in diameter or trenching completed in existing roadway, the contractor shall restore the pavement by installing the trench patch and then grinding/overlaying. All roadway restoration and street patches shall comply with City Standard Detail 01.01.20.

GENERAL CONDITIONS:

1. Follow approved Traffic Control Plan (TCP)
2. Follow allowed work hours (example) Monday through Friday 9am-3pm
3. If a lane will be closed, call Comm Center on day of closure prior to work start at 253-287-4456.
4. Spotter must be available to assist with pedestrians if needed.
5. To schedule inspection, go to: Secure.cityofpuyallup.org and select appropriate code.
6. Please utilize traffic control information below for TCP:
 - A. Distance between cones equals speed limit in unit feet.
 - B. Taper length equals width of offset times speed limit squared divided by 60.
 $L = WS^2 / 60$ - W= lane width S = speed limit
 - C. Sign spacing shall be 100 feet when speed limit is 30 MPH or less
 - D. Sign spacing shall be 350 feet when speed limit is greater than 30 MPH
 - E. Distance between signs is mandatory unless field conditions determine otherwise.
7. Do not open cut without prior approval.
8. Do not park vehicles on city sidewalk. Curb, gutter or sidewalk damaged shall be replaced.

Inspection time performed during a regular 8-hour day Monday through Friday 7:00 am - 5:00 pm is included in the permit fee. Inspection time performed outside of those hours are charged to the permit holder at a rate of \$130 per hour with a three-hour minimum.

INDEMNIFICATION / HOLD HARMLESS:

The Permittee shall defend, indemnify and hold the Public Entity, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or in connection with activities or operations performed by the Permittee or on the Permittee's behalf out of issuance of this Permit, except for injuries and damages caused by the sole negligence of the Public Entity.

However, should a court of competent jurisdiction determine that RCW 4.24.115 applies to this Permit, then the Permittee agrees to defend, indemnify and hold the Public Entity, its officers, officials, employees and volunteers harmless to the maximum extent permitted thereunder. It is further specifically and expressly understood that the indemnification provided herein constitutes the Permittee's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

Permit is valid 90 days from date of issuance. Permit validity is subject to all adhering to all applicable codes, ordinances and standards, and conditions of this permit.

Indemnification / Hold Harmless

The Permittee shall defend, indemnify and hold the Public Entity, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or in connection with activities or operations performed by the Permittee or on the Permittee's behalf out of issuance of this Permit, except for injuries and damages caused by the sole negligence of the Public Entity.

I certify that I am the owner of this property or the owner's authorized agent,

Applicant:

including an appropriately licensed contractor. I have read and examined this application and furnished true and correct information. I will comply with all provisions of law and ordinances governing this type of construction work, whether specific herein or not. By submitting this application, I give the jurisdiction permission to enter the property to perform inspections. The granting of this permit does not presume or give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I understand that failure to comply with the above may result in revocation of the permit.
