REMODEL COOLERS, MEAT & DELI CASES, FRESHLINE FRONT HEADWALL, DELI, ROTISSERIE, MEAT PREP

AND BAKERY. EXISTING BUILDING IS 148,664SF, PROJECT AREA IS 8,200SF.

Additional Fees may follow: _____

The undersigned, my appointed representative, or I have requested the following purveyor to certify willingness and ability to provide the indicated service. I have read and understand the information provided by the water purveyor on this Certificate, and acknowledge that the proposed project may require improvements to the water system that would incur my financial obligation. Prior to final approval for construction of the water facilities, it is understood that a legal contract between myself and the water utility which specifies the terms of water service, operational responsibility, and financial obligation may be required. It is understood water availability is only held three years from the date of acceptance by Fruitland Mutual Water Company. After three years have expired, the applicant is required to resubmit their request for water availability.
