- ♦ Spent 40 minutes on a conference call with all disciplines involved with this project discussing remaining items and all the necessary changes to the plans and documents in lieu of sending out another correction letter and it was very beneficial of all our time so that the engineers and architect could get on the same page on 6/24/2022. No new plans have been resubmitted since that date for review and addressing all other items from previous corrections.

To resubmit, you must address all comments and complete the [resubmittal form](#).

When you are ready to resubmit, you can do so using the customer portal, by uploading a “new version” of the submittal requirement. In addition, you will need to pay your resubmittal fee at the time of resubmittal. Your resubmittal will not be processed until the fee has been paid. Please note, partial resubmittals will be deemed incomplete and returned.

If you need assistance with resubmitting your corrections, please contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
