RE: Certificate of Sewer Availability
Parcel Number 7845100032
Site Address: 1115 E MAIN
Application: PRCWSA20221053

To Whom It May Concern:

This letter is being provided regarding parcel 7845100032. The parcel owner has requested that the City provide a certificate of sewer availability for this parcel which is located within the Puyallup city limits and sanitary sewer service area. The sole purpose being to obtain an approval for the construction of a new building.

Presently, the closest 15" sewer main is located within E. Main running east and west. The city is willing to serve this site with sewer. The applicant will be required to design and construct an approved sewer connection as outlined in the Puyallup Municipal Code and the City of Puyallup's Design Standards Manual.

If you have any questions, please contact me directly at 253-841-5577.

Sincerely,

Linda Lian
