

MEMORANDUM

DATE: July 13, 2022
TO: Mark Higginson
City of Puyallup
FROM: Daryl Schneider, PE
Zac Garrard, EIT
SUBJECT: SHBTC - Parking Expansion Storm Design
CC: Dave Vranizan
Darren Sandeno
PROJECT NUMBER: 217-7312-004
PROJECT NAME: SHBTC Parking Expansion

This memorandum acknowledges that the City of Puyallup has adopted the 2019 Ecology Stormwater Management Manual for Western Washington (SWMMWW) as of July 1, 2022. As such, all projects must incorporate provisions of the adopted manual in project designs.

The stormwater management design for the South Hill Business & Technology Center Parking Expansion Project has been designed to meet the standards and provisions included in Ecology's 2019 SWMMWW including, but not limited to elements regarding requirement thresholds, flow control and runoff treatment requirements, and wetland protection. Details of the design are outlined further in the South Hill Business & Technology Center Parking Expansion Project Stormwater Management Report.

We hope you find this memorandum sufficient for your immediate needs. Please contact us for any additional information.
