# Comment Notice

**Permit Application # PRDE20221364**

September 21, 2022

The City has completed the review of the above-mentioned permit submittal. Below please find the permit submittal review comments from your review team. Should you have any questions regarding the review comments, please contact the plan reviewer associated with the comment listed below.

**Building Review** (Reviewed By: David Leahy, (253)435-3618, DLeahy@PuyallupWA.gov)

- ◆ Address on the PSCA permit does not match that of the actual structures and that which is shown on submitted site plan for this permit. All information needs to match.
- ◆ Will need to provide on site plan where the septic system is located.
- ◆ Will need a letter from the Tacoma/Pierce Count health department for the decommissioning of the septic system.
- ◆ Will need to provide how the septic tank will be filled so the ground will be stable.

**Engineering Review** (Reviewed By: Linda Lian, (253)841-5577, LindaL@PuyallupWA.gov)

- ◆ Show the existing private septic system, to include tank and drain field. [Site Plan Sht. No 1 of 1]
- ◆ Show the existing water service and meter. [Site Plan Sht. No 1 of 1]

To resubmit, you must address all comments and complete the [resubmittal form](#).

When you are ready to resubmit, you can do so using the customer portal, by **uploading a "new version" of the submittal requirement**. In addition, if any resubmittal fees have been assessed, **you will need to pay your resubmittal fee at the time of resubmittal**. **Your resubmittal will not be processed until the fee has been paid**. Please note, partial resubmittals will be deemed incomplete and returned.

The review team may have also added conditions to the permit application that are not listed above. The permit conditions can be found in the CityView portal. Please note, some of the conditions may need to be resolved prior to permit issuance.

If you need assistance with resubmitting your corrections, please contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
