Permit Application # PRDE20221598

October 24, 2022

The City has completed the review of the above-mentioned permit submittal. Below please find the permit submittal review comments from your review team. Should you have any questions regarding the review comments, please contact the plan reviewer associated with the comment listed below.

Engineering Review (Reviewed By: Yianni Charitou, (253)435-3612, YCharitou@PuyallupWA.gov)

♦ Revise the site plan to depict any existing utility connections (i.e. water, septic/sewer, stormwater) from the public right-of-way to the building(s). The septic system should include the location of the sewer lines, septic tank, and drainfield. The water connection should include the location of the meter boxes and any backflow prevention devices. The stormwater connection should include the location of any clean outs and onsite stormwater systems. [SITE PLAN, sheet 1]

To resubmit, you must address all comments and complete the [resubmittal form](#).

When you are ready to resubmit, you can do so using the customer portal, by **uploading a “new version” of the submittal requirement**. In addition, if any resubmittal fees have been assessed, **you will need to pay your resubmittal fee at the time of resubmittal**. **Your resubmittal will not be processed until the fee has been paid**. Please note, partial resubmittals will be deemed incomplete and returned.

The review team may have also added conditions to the permit application that are not listed above. The permit conditions can be found in the CityView portal. Please note, some of the conditions may need to be resolved prior to permit issuance.

If you need assistance with resubmitting your corrections, please contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
