PRFUP20220125 – Expiration Date: October 19, 2022

Dear Applicant,

Both of your permits listed above were provided a previous extension. At this time, one of them has expired and the other is nearing its expiration date. Permits issued shall become invalid unless the work authorized by such permit is commenced within 90 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 90 days after the work is commenced.

Please notify Cheryl Trimble at [CTrimble@PuyallupWa.Gov](mailto:CTrimble@PuyallupWa.Gov) of your plans to continue the work, or if you will be discontinuing the work approved on your permit. If no contact is made with Cheryl and the 90-day period is reached, your permit will be cancelled and you will need to reapply in order to commence work on your project.

Thank you!
