Notice of Incomplete Application

RE: Application Number PRRASF20221937

Dear Paul Lockwood,

A permit application has been received by this office on December 30, 2022. The following required items are outstanding:

- Structural Calculations: Provide structural engineer calculations and sealed plans for foundation, lateral bracing and complete shear wall plan. Calculations submitted only received for retaining wall. *If there is a retaining wall a separate retaining wall permit is required. *
- Truss Layout
- Truss Plan for TJs or BCIs
- Truss Specification Packet w/Engineers Stamp: Provide truss calculations to support truss layout provided.
- Water Availability: This document is required at submittal and the permit submitted cannot be accepted without it. [Fruitland Water availability](#)

The above information must be received by our office to deem this application complete. If the required information is not received within 30 days, your application will be canceled.

Should you require further information, please do not hesitate to contact the Permit Center.

Sincerely,

City of Puyallup Permit Center
