RE: PRMH20221277 - Expiration Date: February 22, 2023

Dear Applicant,

Permits issued shall become invalid unless the work authorized by such permit is commenced within 180 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after the work is commenced.

Please notify the Permit Center at [permitcenter@puyallupwa.gov](mailto:permitcenter@puyallupwa.gov) of your plans to continue the work, or if you will be discontinuing the work approved on your permit. If no contact is made with the **Permit Center** and the 180 day period is reached, your permit will be cancelled and you will need to reapply in order to commence work on your project.

Thank you,
