Permit Application # PRCTI20221786

January 26, 2023

The City has completed the review of the above-mentioned permit submittal. Below please find the permit submittal review comments from your review team. Should you have any questions regarding the review comments, please contact the plan reviewer associated with the comment listed below.

Planning Review (Reviewed By: Rachael N. Brown, (253)770-3363, RNBrown@PuyallupWA.gov)

◆ Proposal for a 10ft tower extension cannot be approved without a conditional use permit since this pole exceeds the building height limit for the zone which is 75 ft. Alternatively, the proposal can be redesigned to not exceed the 75ft height limit, which could be approved. This proposal would still need to include a shrouded design.

To resubmit, you must address all comments and complete the [resubmittal form](#).

When you are ready to resubmit, you can do so using the customer portal, by **uploading a “new version” of the submittal requirement**. In addition, if any resubmittal fees have been assessed, **you will need to pay your resubmittal fee at the time of resubmittal**. **Your resubmittal will not be processed until the fee has been paid**. Please note, partial resubmittals will be deemed incomplete and returned.

The review team may have also added conditions to the permit application that are not listed above. The permit conditions can be found in the CityView portal. Please note, some of the conditions may need to be resolved prior to permit issuance.

If you need assistance with resubmitting your corrections, please contact the Permit Center.

Sincerely,
