City of Puyallup-Engineering Division
333 S. Meridian
Puyallup, WA 98371

Subject: **APL Puyallup**
PRCCP20230041

This project is currently applying for a retro clear and grade permit. No utility work or construction is proposed at this time. Currently the proposal is to remove gravel around the perimeter of the site and from within the wetland buffer. These areas will be replanted with trees and shrubs.

A detention facility and utility work will be proposed with the future Civil Construction Permit and a formal Construction Cost Estimate will be provided at that time.

Please feel free to reach out to me with any questions or concerns at ssalo@encompasses.net. I'm also available by phone at (425)961-2170.

A handwritten signature in black ink, appearing to read "Samuel Salo", written over a horizontal line.
