Re: Project # TBD 220 15th Ave SE

Air Systems Engineering, Inc. appreciates the opportunity to provide the information requested.

Review Type: MECHANICAL

The City of Puyallup has requested:

- **Structural Calculations for Mechanical Permit**
- **Structural Plans for Mechanical Permit**

The outdoor unit being replaced is on the ground.

The indoor unit in the attic is only 15lbs heavier than the unit being replaced.

No Structural Engineering has been performed.

Sincerely,

Brett Roebuck
