Ref: Project Name: **Normandy Heights- Storm Water Vault**
Site Structures Project No. S-26-009

The following is our itemized response to the City of Puyallup review comments dated April 2, 2026.

Sheet S2

1. The detail referenced in keynote 1 has been corrected and a detail for the grade slab reinforcing placement has been added to this sheet.
2. Detail reference in keynote 12 has been corrected to 10/S4.
3. Additional detail references for the 6" thick curb have been added to keynote 15

I trust this response will meet with your approval.
