## Development Submittal Notice

**Permit Application Number PRMU20260421**

Dear Nathan L Miller,

Thank you for submitting your permit application documents to the City of Puyallup. The Permit Center reviewed your submission on March 20, 2026 and determined that it is insufficient.

### Missing or Insufficient Submittal Documents

Please submit the following items through the [permitting portal](#).

### Completeness Check Comments

As a courtesy to our customers, the plan reviewers have conducted a completeness check to verify that the contents of the permit submission are adequate to complete a thorough first review. Even though all the minimum submittal documents were received, the plan reviewers have deemed your submittal as incomplete and compiled the completeness check comments below based on the scope and details of your project. Please address any comments below by updating your permit submittals and resubmitting them through the [permitting portal](#).

- Rooftop Anchorage
- Guardrails and Handrails

(NOTE: These items as discussed will need to be provided prior to permit issuance as discussed in an email with Nathen Miller on 4/9/26)

The submittal shall only be considered complete if the information requested above is received by the City of Puyallup within 90 days of date of this letter and deemed satisfactory by the Permit Center. Otherwise, your permit application will be canceled, and you will need to apply for a new permit. Once your submission is accepted, deemed complete, and any outstanding fees are paid, your submittal will proceed to plan review.

For questions or assistance, please contact the Permit Center.

Always in Season,
