## Development Submittal Notice

### Permit Application Number PRFA20260619

Dear Jennifer Remming,

Thank you for submitting your permit application documents to the City of Puyallup. The Permit Center reviewed your submission on April 29, 2026 and determined that it is insufficient.

#### Missing or Insufficient Submittal Documents

Please submit the following items through the [permitting portal](#).

- **Fire Alarm Plans** – Page size remains too small, must be 11x17 or greater. Please be sure each page of the plan set fits onto a single page, we are now seeing one designed page split across multiple pages. A screenshot showing the issue has been emailed separately for your viewing.

The submittal shall only be considered complete if the information requested above is received by the City of Puyallup within 90 days of date of this letter and deemed satisfactory by the Permit Center. Otherwise, your permit application will be canceled, and you will need to apply for a new permit. Once your submission is accepted, deemed complete, and any outstanding fees are paid, your submittal will proceed to plan review.

For questions or assistance, please contact the Permit Center.

Always in Season,

City of Puyallup
