

PUY SEVENTH-DAY ADVEN SCL
 Address: 904 SHAW RD, Puyallup, WA 98371
 Parcel # 0420351074

Depict and label the recorded water easement per AFN 200911130142, available to download in the permitting portal. The proposed structure shall not encroach on the easement.

Revise the site plan to depict the new or existing public utility connections (i.e. water, sewer, stormwater) from the public right-of-way to the building(s). The sanitary side sewer connection should include the location of any sewer clean outs, the water connection should include the location of the meter boxes and backflow prevention devices, and the stormwater connection should include the location of any clean outs and onsite stormwater systems. Refer to the as-builts available to download in the permitting portal.

Call before you dig. It's the law.
 Dial 811 or call 1-800-424-5555.

No proposed footings, posts, or supports shall be constructed on or above any existing public utility connections without first relocating the utility services or protecting it in place.

Any public facilities, i.e. utilities, curb, gutter, driveway approach, curb ramp, sidewalk, etc., broken now or during the course of construction shall be removed and replaced to current City Standard. Restoration limits and requirements shall be at the discretion of the City.
