Comments: 7/23/26 9:30 PM - CableCom was staged in the parking lot at 15th Ave SW & Meridian with traffic control and a UPO. I asked where they were working and they said on 15th. I asked for a permit and they did not have one. They called the office to get it. The traffic control company had a copy of the TCP with the permit #. No job start was called in, no notifications were made (Including Good Sam). They were told they could not work tonight.
